

Caribbean Travel Guide During Covid

Thinking about getting away for a beach vacation? The table below shows current travel information for the Caribbean, Central America and Mexico. For countries that are open for tourism, you can see which countries require a mandatory quarantine upon arrival and which ones require a negative COVID-19 test prior to entry. The “Additional Information” includes the time frame for testing prior to travel as well as any other entry requirements. This is a snapshot to help determine where you might want to travel and shouldn’t be used in place of official sources. Using a travel agent to book your vacation is always recommended as they have the most up to date information and can help navigate the entry requirements. Updated 10/5/2020.

| DESTINATION | MANDATORY QUARANTINE | COVID TEST REQUIRED | ADDITIONAL INFORMATION |
|------------------------|--------------------------------|---------------------|---|
